

Hydro Mobile Beta Max

1000 lb electric hoist

Quick and Easy installation
on Hydro Mobile P, F and E Series

- Hoist of choice for heavy-duty, high lift projects
- Long lasting performance with minimum maintenance required
- Confined and hard to reach spaces made easy with a portable hoist
- Maximum safety and efficient alternative to rope & pulley systems, cranes, and forklifts
- Installs easily on existing scaffold systems, work platforms, I-Beams, and rooftop mounting options
- Control your work flow, schedule and budget with the most efficient and safe material delivery to any work level
- Get material up at a faster rate of speed (80fpm)
- Be more productive on a mast climbing work platform and consistently have material accessible
- Reduces significant downtimes that are costly to contractors

Model LEO, 1000 lb on P series
with optional VFD
(Variable Frequency Drive)
